

# Beneteau 393

The beautifully designed Beneteau 393 is one of the newest additions to the CYOA fleet. Based on the highly successful Beneteau 473 and designed by renowned naval architects Berret/Racoupeau Yacht Design, this unique 39-foot passage-maker answers a long awaited quest for the serious blue-water cruiser. Roomier, more spacious and boasting some of the best accommodations to be found, the 393 will be sure to please the most scrupulous of sailors. The 393 has a more modern look, and elegant overall styling.

Though compact in size, she offers three roomy cabins with two heads, ideal for groups of 5 or 6. The forward cabin was mindfully designed to utilize space and maximize comfort. The bow shape lends itself to a private head configuration, with the toilet forward, allowing for a more desirable Pullman style berth instead of the traditional V-berth. This spacious cabin features a comfortable dressing seat opposite the berth a large hanging locker and a full-length shelf above the berth to port. An additional head is shared by the two identical aft cabins which are tucked under the cockpit. It is fitted with a standard manual flush toilet, wash basin and shower. A small cabinet holds toiletries, and there is handrail for when the going gets rough.

The interior area is beautifully trimmed with cherry wood polish. With little touches like convenient pullout blinds for overhead hatches and full-length overhead handrails, Beneteau has always found ways to make its boats homey, safe and user-friendly.

The galley is fitted with double stainless steel sinks, a small two-burner stove and oven and a refrigerator-freezer combination with a front opening door. There is plenty of counter space for preparing meals and storage space throughout the salon in corner lockers and under the settee. Like all of the boats in our fleet, the Beneteau 393 comes fully stocked with all necessary cookware. The most striking feature of the salon is the large skylight which floods the cabin with welcome, natural light.

Additional amenities include a RIB inflatable tender with a 15hp engine, VHF radio, CD stereo, GPS and autopilot, speed, depth and wind indicator. The Beneteau 393 is available now for charter, call CYOA 1-800-944-2962 for bookings.
