

CYOA Yacht Charters

Qualified to Bareboat?

Do you know how to sail and do you have navigation skills?

Are you 25 years of age or older?

Have you had any formal training?

Have you had practical experience at sea?

Do you have anchoring experience?

Have you captained a sailing vessel for overnight cruising?

Do you own a boat?

You want to charter a boat of similar size to those you have sailed on before?

Do the people joining you on your trip have any experience?

Have you sailed in the Virgin Islands before?

Have you sailed in the ocean before?

These are just some of the questions to ask yourself, or that we may ask you! If you have said, NO to a few, you may still qualify to charter.

If you have said NO to more than a few, we may suggest a check-out skipper for a few days.

If you have said NO to many, and still want the adventure sailing vacation, we can hire a U.S. Coast Guard licensed skipper to head your cruise and offer casual sailing instruction, suggestions for what-to-do, and offer a wealth of local knowledge!
